Supportive Housing Program

WHAT IS SUPPORTIVE HOUSING?

Supportive Housing is an option for people who are unable to live independently in their home but are not ready to move into a Personal Care Home, it is an excellent choice for people who require 24 hour support and care. This program provides assistance for people with physical limitation and ongoing health conditions such as Alzheimers or Dementia. Residents receive support and non-medical assistance with activities involved in daily living such as hygiene, dressing, medication reminders, and recreational activities.

RIVERSIDE LIONS SUPPORTIVE HOUSING PROGRAM

Riverside Lions' Supportive Housing Program provides an enriched living environment that nurtures physically, mentally, and socially. We believe in the importance of a healthy and active lifestyle and our program is designed to encourage both. Our goal is to help slow cognitive decline and keep our seniors healthier and happier so that they can live their best life for as long as possible. Families can count on Riverside Lions to meet their loved one's needs with integrity, understanding, and respect.

Supportive Housing floors are supervised 24 hours a day by Tenant Companion staff who are committed to caring for the needs of our residents. Our goal is to ensure each person feels important and appreciated by anticipating their needs and exceeding their expectations.

Each of our 48 bachelor Supportive Housing suites offer a spacious, private three-piece bathroom with a walk in shower. Our suites also include window coverings and an individual heating and air conditioning unit.
